Neste Oil Corporation

Neste Oil is a refining and marketing company with a production focus on premium-quality, lower-emission traffic fuels. The company produces a comprehensive range of major petroleum products and is the world's leading supplier of renewable diesel. The company had net sales of EUR 11.9 billion in 2010 and employs around 5,000 people. Neste Oil's share is listed on the NASDAQ OMX Helsinki. Nesti Oil has been selected into the Dow Jones Sustainability World Index and is also featured in the Ethibel Excellence Investment Register. The company is included in The Global 100 list of the world's most sustainable corporations. Forest Footprint Disclosure (FFD) has ranked Neste Oil as the best performer in the oil & gas sector.
