PORAM MANAGEMENT BOARD REPORT FOR THE YEAR ENDING 31ST DECEMBER 2011

A. GENERAL

The 33rd Annual General Meeting (AGM) was held on 25th May 2011 at Sunway Resort Hotel and Spa, Bandar Sunway, Petaling Jaya, Selangor Darul Ehsan. One of the key objectives of the AGM is to provide a platform for a review and interaction between the Board and PORAM Members. Reports on financial performance and activities of the Association were presented to Members for approval.

En. Haris Fadzillah Hassan (Sime Darby Jomalina Sdn. Bhd) had later resigned from the Board. En. Mumtaz Fisal (Sime Darby Jomalina Sdn. Bhd.) was appointed to fill the vacancy.

A total of three Board meetings were held in 2011. The Board meetings were convened on a scheduled basis in July, October and December to receive financial reports, for the Secretariat to apprise the Board on the operations of the Association and to discuss matters and issues arising under the purview of the Board.

Management Board Members	Attendance of Meetings	
En. Wan Mohd Zain Wan Ismail	3 out of 3	
(Chairman)

Ms. Lee Yoke Hui	3 out of 3	
Ms. Linda Kee	2 out of 3	
Tuan Hj. Othman Walat	1 out of 3	
En. Muhammad Hakim See	2 out of 3	
Mr. Richard Goh	1 out of 3	
Mr. Ling Chen Eng	1 out of 3	

B. MARKET REVIEW

The Malaysian palm oil industry has shown a much improved performance in terms of crude palm oil (CPO) production, palm oil exports and total revenue in 2011. Total CPO production increased by 11.3% to 18.91 million tonnes, palm oil exports rose to 17.99 million tonne and total export revenue from palm oil jumped 34.8% from RM44.85 billion in 2010 to RM60.47 billion in 2011. The total revenue received from export of all palm oil and palm products increased by RM20.61 billion to RM80.41 billion mainly because of higher prices of all the products marketed.

The total oil palm planted area has touched 5.0 million hectares in 2011. The largest expansion in the planted area is in Sarawak which recorded an increase of 11.0% or 102,169 hectares. Sabah is still the largest oil palm planted state with 1.43 million hectares or 28.6% of total planted area.

With the increased in CPO production, correspondingly the crude palm kernel oil (CPKO) also increased, amounting to 9.7% to 2.14 million tonnes. Improved weather condition as well as more areas coming into peak production had contributed to the increased production for both CPO and CPKO.

Total exports of palm oil, palm kernel oil, palm kernel cake, oleo-chemicals, biodiesel and finished products showed an overall improvement by 5.25% to 24.27 million tonnes compared to 23.06 million tonnes in 2010. However, in terms of percentage, there were a drop of 44.2% for export of biodiesel, 8.84% for palm kernel cake and 1.9% for oleo-chemicals. The export of finished products also declined by 6,450 tonnes or 1.58%.

The increase in palm oil export was mainly due to higher export volume to China PR, India, the Philippines, Turkey, Vietnam, South Africa and Sri Lanka. China PR imported a total of 3.98 million tonnes, an increase of 14.3%. India imported about half a million tonnes more to 1.66 million tonnes mainly in the form of CPO which attracts lower import duty. Of interest is a phenomenal increase in palm oil export to the Philippines (1.5 folds), Turkey (5 folds) and Jordan (3 folds). Indonesia continues to be our competitor in many major markets including the EU, India and Pakistan.

The exports of palm kernel oil increased marginally by 1.0% to reach 1.17 million tonnes in 2011. The USA continue to be the major export market with 24.6% of the total palm kernel oil export followed by China PR (15.3%), the EU (11.9%) and Japan (8.5%).

The average annual CPO locally delivered price was impressive at RM3,219 per tonne. As a result, the average export price for processed palm oil (PPO) also increased correspondingly, namely RBD Palm Oil (FOB) at US\$1,134 per tonne, RBD Palm Olein (FOB) at US\$1,148 and RBD Palm Stearin (FOB) at US\$1,029 per tonne. The cheapest product namely Palm Fatty Acid Distillate (PFAD) was traded at US\$830 per tonne FOB. Both RBD Palm Oil and RBD Palm Olein recorded an average increase of almost 30% compared to 2010 prices.

The average price of locally delivered crude palm kernel oil (CPKO) increased by 26.8% or RM974 to RM4,611 per tonne in 2011. The higher price is attributed to the higher palm kernel price and firmer lauric oil price world-wide.

The oil extraction rate (OER) for the country remains steady at 20.35% while there is marginally improvement in fresh fruit bunches (FFB) yield to 19.69 tonnes per hectare and oil yield increased to 4.01 tonnes per hectare in 2011.

B. LIAISON AND CONSULTATION WITH THE GOVERNMENT

PORAM continued to have close cooperation with the Ministry and other Government agencies. PORAM and its Members supported and participated in various meetings and activities organized by the Ministry of Plantation Industries and Commodities (MPIC), Ministry of International Trade and Industry (MITI), Malaysian Palm Oil Board (MPOB) and Malaysian Palm Oil Council (MPOC).

I. <u>Ministry of Plantation Industries and Commodities (MPIC)</u>

The Ministry has been supportive of PORAM interests. Throughout the year, PORAM had participated in several meetings conducted by MPIC on:

- CPO Duty Free Export Quota
- Indonesian Export Duty Differential

II. Malaysian Palm Oil Board (MPOB)

PORAM continued to support MPOB in various programmes organized throughout the year namely the Palm Oil Familiarization Programme (POFP); Programme Advisory Committee (PAC); MPOB TAS Interaction Session with the Malaysian Palm Oil Industry; MPOB Oil Palm Products Surveying Course; National Seminar on Palm Oil Milling, Refining, Technology, Quality and Environment; and MPOB International Palm Oil Conference (PIPOC 2011). PORAM contribution was in terms of member's participation, in working committees and presentation of papers at some of the events.

The Association was also represented in various committees and/or working groups in MPOB on:

- MPOB Sub-Working Group on Palm Oil (SWGPO) on Malaysia-Indonesia Bilateral Cooperation.
- MPOB Working Group on Cooking Oil Price Stabilisation Scheme (COSS)
- MPOB Committee on Oils and Fats Standards
- MPOB Main Steering Committee for Oil Palm Products Surveying Course
- MPOB Surveyor's Examination Panel
- MPOB Committee on Code of Practices
- Jawatankuasa Sistem Pemantauan Sawit MPOB Bersama Industri
- Malaysian Standard on Sustainable Palm Oil (MSSPO)

PORAM Representatives also sit in MPOB Board.

III. Malaysian Palm Oil Council (MPOC)

At MPOC, PORAM continued to forge regular cooperation and interaction with the Council especially on the market developments and promotional activities. Members were kept informed about palm oil developments through various publications disseminated by MPOC. The Council had sponsored PORAM Annual Forum 2011, PORAM Directory and had also extended support and assistance to PORAM in organizing the Malaysian Palm Oil Industry Golf Challenge 2011 and the Annual Dinner.

PORAM Members participated in various MPOC programmes including:

- Reach & Teach Friends of the Industry: Challenges and Opportunities in 2011, Putrajaya.
- Palm International Nutra-Cosmeceutical Conference (PINC 2011), Kuala Lumpur
- Sustainable Aviation Fuel from Oil Palm Workshop, Kuala Lumpur
- Palm Oil Trade Awareness Programme (POTAP), Kuala Lumpur
- Palm Oil Industry Leadership Award (PILA), Kuala Lumpur.

IV. Ministry of International Trade and Industry (MITI)

PORAM was actively consulted by MITI and had attended several meetings on:

- Rules of Origin
- Trade in Good
- Free Trade Areas Negotiations (FTA)
- New Merged Document Invoice & Packing List

C. LIAISON WITH INTERNATIONAL AND LOCAL ORGANIZATIONS

In order to keep up with the developments of the vegetable oils and fats industry, PORAM maintained close working relationship with several organizations both locally and internationally. PORAM attended the ASEAN Vegetable Oils Club (AVOC) meetings in Manila in March and later in Kuala Lumpur in October 2011.

As part of the on-going activities signed under a Memorandum of Understanding (MoU) with the Solvent Extractors' Association of India (SEA), PORAM continues to exchange technical and trade information in order to enhance palm oil trade relation between the two countries. PORAM is actively involved in the activities of the Federation of Oils, Seeds and Fats Associations Limited (FOSFA International). The Chief Executive Officer of FOSFA International gave a paper on 'An Update on Issues before FOSFA's Committees' at PORAM Annual Forum in October 2011.

Consultation and work cooperation were continuously maintained with the Malaysian Edible Oil Manufacturers Association (MEOMA), Malaysian Palm Oil Association (MPOA), Malaysian Oleochemical Manufacturers Group (MOMG) and Malaysian Biodiesel Association (MBA). In June 2011, PORAM presented a paper on 'Optimizing Storage and Shipping to Enhance Palm Oil Value Chain" at the 9th Integrated Society of Planters (ISP) National Seminar in Penang. For the second year in running, Bursa Malaysia Derivatives (BMD) was a major sponsor for the PORAM Annual Dinner and a contributive supporter of the PORAM Annual Forum. BMD presented a paper on 'Hedging Crude Palm Oil with Options' at the forum. As an affiliate member of a Roundtable on Sustainable Palm Oil (RSPO), the Association continues to monitor the discussion and the development of sustainable palm oil.

E. COMMITTEES

I. COMMERCIAL AND TECHNICAL COMMITTEE

A total of four scheduled Commercial and Technical Committee (C&T) meetings were held during the year in January, May, October and December. Representatives from the Malaysian Palm Oil Board (MPOB) and Malaysian Palm Oil Council (MPOC) also attended these meetings regularly on the invitation of the Committee. Their participation was important particularly to update the Committee on new research developments, regulatory, environmental and market issues. At the same time, both MPOB and MPOC were briefed on issues of concern affecting the progress of the industry that could be taken up and addressed by the respective authorities.

Minutes of each meeting were distributed to all Members of the Committee and matters of importance were referred to the Management Board.

March and Alternate	Attendance
Members/Alternate	of meetings
Y. Bhg. Dato' Er Kok Leong (Chairman)	4 out of 4
Intercontinental Specialty Fats Sdn Bhd	
Assar Refinery Edible Oils Sdn Bhd	1 out of 1

Unitata Berhad	0 out of 4
– Mr. Jughdev S. Dillon	
Zurex Corporation Sdn. Bhd	0 out of 1
– Mr. Yong Khai Weng / Mr. Wong Kai Fatt	

Following are some of the important subject matters deliberated by the Committee during the year:

a. Updates on 3-MCPD Esters

MPOB continued to update PORAM on the current developments on 3-MCPD Esters and Glycidyl Esters. There is still no international standard method of measurement agreed. However, the indirect GC/MS methods are the most acceptable method with 'Acid Hydrolysis Method' being the most accurate and acceptable by most researchers.

MPOB had used 'Acid Hydrolysis Method' to evaluate samples from mills and refineries. Test on CPO showed hardly any presence of 3-MCPD Esters. Test on PPO showed a range from 0 to 5.7 ppm for various product ranges. For RBD Palm Oil and RBD Palm Olein, the value range between 4.2 to 4.3 ppm. For RBD Palm Stearin, the range is between 0.3 to 1.8 ppm. Nonetheless, the European studies showed much higher value of 3-MCPD Esters from 10 to 14 ppm. MPOB is currently studying sample of oils from different stages of refining process as well as at different stages of CPO extraction.

In order to reduce the formation of 3-MCPD Esters in the refining process, MPOB has recommended the following:-

- i. Reduce the temperature during the deodorization.
- ii. Degumming with phosphoric and followed by water washing, prior to bleaching.
- iii. Use of natural clay; or
- iv. Wash acidic clay to remove surface acidity.

It was informed that the main precursor is the presence of chlorides in the oil which cause the formation of 3-MCPD Esters. Chlorides can be found in the clay, water, phosphoric, citric acid and CPO.

b. Malaysian Standard on Sustainable Palm Oil (MSSPO)

PORAM Representatives sit in both the National Committee and Technical Committee on Malaysian Standard on Sustainable Palm Oil (MSSPO). The idea of MSSPO is for a certification system based on the sustainability requirements in the Malaysian Standard (to be developed). MSSPO can be made mandatory. For companies complying to the Malaysian Standard (MS) requirements, their products can be certified sustainable, while those that do not comply will continue to produce palm products but will not be certified sustainable. It was recommended that the MSSPO is to be aligned to ISO and MS GAP Standards in which the later standards have already been accepted internationally with the same features incorporated from RSPO, ISCC and RED. It was proposed that the MSSPO shall initially be a national standard and system, and will go for international recognition later.

PORAM is in support for the development of MSSPO to be developed as a voluntary certification system and to be complimentary to RSPO which is already been accepted by the industry.

c. Competitiveness of Malaysian Palm Oil Products – Export Duty Differential

PORAM had attended several consultative meetings with the Ministry and its agencies to discuss on the competitiveness of the Malaysian palm oil industry and how the downstream industry were being affected by the Indonesian's export duty differential. The Indonesian had revised its palm oil export duty structure effective 15th September 2011. As a result, Malaysian refiners have been badly affected in terms of margin and market competitiveness.

The Government is yet to agree on the ways to enhance the competitiveness of the palm oil downstream industry in the country. The only conclusive fall-back position agreed by the industry members during the 8th November 2011 meeting with the Ministry were on:-

- i. Maintain export duty on CPO and CPKO
- ii. Abolish duty free export quota for CPO and CPKO
- iii. Impose slightly lower export duty on semi-processed palm oils to prevent leakages.
- iv. Indirect assistance to smallholders to offset any reduction in FFB prices
- v. Establish industry adjustment fund for 2 years to address the difficulties faced by the downstream sector.

d. CODEX Updates

The Codex Alimentarius Commission (CAC) which was held in Geneva in July 2011 has agreed on the following:-

- i. The Commission has adopted the 'Draft Amendment to the Code of Practice for the Storage and Transport of Edible Fats and Oils in Bulk: Criteria to Access the Acceptability of Substance' for inclusion in a List of Acceptable Previous Cargoes.
- ii. The Commission has adopted the 'Proposed Draft List of Acceptable Previous Cargoes'.
- iii. The Commission has adopted the 'Draft List of Acceptable Previous Cargoes'.

As the outcome of these CAC decisions, the List of Acceptable Previous Cargoes is now been listed as Appendix 2 in the Recommended International Code of Practice for the Storage and Transportation of Edible Fats and Oils in Bulk (CAC/RCP 36.1987 Rev. 4-2011). This decision will help in the development of healthy trade for vegetable oils and fats globally.

e. Licensing of Transporters

MPOB has amended its licensing regulations based on Act 582 and the Malaysian Palm Oil (Licensing) Regulations 2005 on the issuance of license to transportation companies and individuals that are involved in the moving and transporting of palm oil.

All transportation companies or individuals involved in the conveyance of palm oil must be licensed by MPOB. Movement of palm oil using barges especially in Sabah/Sarawak will also need to be licensed. However, its implementation is temporarily place on hold.

MPOB has also set up an Oil Palm Monitoring System (SPS) that will integrate all available systems to monitor the movement of all lorry tankers. All transportation companies are required to install GPS system approved by MPOB.

Transportation companies have been given a 6 months grace period until 3rd September 2011 but it has now been extended until 1st January 2012. The SPS system has been approved by MPOB and it is targeted that the use of GPS, Monitoring System and online MPOB L3 will start in April 2012.

II. ASSOCIATE MEMBERS COMMITTEE (AMC)

The Associate Members Committee (AMC) held a joint luncheon meeting with the Price Settlement Committee (PSC) on 28th September 2011. The meeting was co-chaired by Mr. Richard Goh and Mr. Chua Seow Yang. Both Committees were briefed about the current developments and activities being undertaken by PORAM. There was no immediate issue raised by both Committees. It was agreed that PORAM should continue to engage Associate Members for feedback and to consistently update them on PORAM activities and market developments.

III. PRICE SETTLEMENT COMMITTEE (PSC)

The Price Settlement Committee (PSC) held a joint luncheon meeting together with the Associate Members Committee (AMC) on 28th September 2011. Mr. Chua Seow Yang, Chairman of PSC reported that a total of five (5) Price Settlement Certificates were issued for the year 2011. The Committee will continue to provide the settlement price requests from the trade as well as from arbitrators for the purpose of settlement of trade disputes.

F. TRAINING AND EDUCATION

Following are some of the activities organised and coordinated by PORAM:

i. Course on Operational Aspects of Palm Oil Trade

The course was conducted on 11th and 12th July 2011 at Sunway Resort Hotel & Spa, Bandar Sunway, Selangor Darul Ehsan. It was attended by 140 participants from Malaysia, Singapore, Indonesia and India. The objective of the course was to provide the participants with an overview on the various operational and commercial aspects related to palm oil trade and issues confronting the industry. The course gave an opportunity for the speakers to share their knowledge and experiences with the participants. Besides the great learning experience, the course was an avenue for the participants to network with the speakers and other members of the industry.

ii. Vegetable Oils Contracts and Arbitration Workshop with The Solvent Extractors' Association of India (SEA)

The Vegetable Oils Contracts and Arbitration Workshop was held on $5^{\rm th}$ and $6^{\rm th}$ August 2011 in Mumbai, India.

PORAM was represented by Mr. Raj Kumar Shah of Josovina Commodities, Mr. P.R. Thakore of IFFCO (SEA), Mr. Francis Liau of KL Maritime, Mr. Siow Seng Toh of ITS Malaysia and Mr. Rajendra Navaratnam of Azman Davidson. En. Wan Mohd Zain, Chairman of PORAM gave an address during the Inaugural Session, while En. Mohammad Jaaffar, PORAM CEO made a short introduction about PORAM.

A workshop session was conducted by PORAM at the end of the session. A total of 75 participants attended the workshop.

iii. PORAM Interaction with Participants of MPOB Palm Oil Familiarisation Programme (POFP)

The annual PORAM Interaction Session with POFP participants was held at the Thistle Hotel, Johor Bahru on 30th September 2011. The event attended by PORAM members provided a networking platform between PORAM members and the foreign participants.

iv. MPOB Oil Palm Products Surveying Course

The annual event of MPOB Oil Palm Products Surveying Course was held from 27th June – 1st July 2011 at Kuantan, Pahang. PORAM was represented in the Steering Committee and Technical Sub-Committee set up by MPOB to assist in organising the MPOB Oil Palm Surveying Course. A total of six papers were presented by PORAM Members at this course.

G. ARBITRATION AND APPEAL

A total of 5 arbitration cases were filed with the PORAM Secretariat between January and December 2011.

H. PORAM WEBSITE AND FACEBOOK

PORAM website continues to serve as a major channel for disseminating market information. Continued efforts are being made to improve the website and to provide Members with exclusive on-line resources. PORAM website is also being promoted as a branded tool to inform the public about the roles and activities of PORAM.

PORAM Facebook was also launched in April 2011. This is an extension of news update, announcement and PORAM activities that can be accessed by Members and the public.

I. PORAM DIRECTORY

PORAM launched its first ever PORAM Directory on October 2011 during the PORAM Annual Forum 2011. The information contain therein are very useful for Malaysia to promote the palm oil industry. The Directory also includes useful information about PORAM and the industry; products applications, properties and handling; PORAM contracts, arbitration and guidelines; useful standards and regulations; and references. The Directory would be a useful reference material for further information about the Malaysian palm oil industry. PORAM Directory has been distributed to all overseas MITI, MATRADE and MIDA offices. The Directory has also been distributed to all foreign embassies, trade associations, relevant government agencies and universities/higher learning institutions in Malaysia. The Directory is available for sale.

J. MEMBERSHIP

The Association is pleased to welcome the following companies to the membership under the category of Full and Associate Members.

Full Members

1. Zurex Corporation Sdn. Bhd.

Associate Members

- 1. Berg & Schmidt (M) Sdn. Bhd.
- 2. EFKO Food Ingredients LLC
- 3. Fuji Oil Co. Ltd.
- 4. Go Chem Inspection (M) Sdn. Bhd.
- 5. Glory Ship Management Pte. Ltd.
- 6. The Iranian Vegetable Oil Industry Association
- 7. Macauley Gehler Pte. Ltd.
- 8. J. Aron & Company (Singapore) Pte. Ltd.
- 9. Ditali Sdn. Bhd.

During 2011, PORAM accepted the withdrawal of one Member.

Memberships Withdrawn / Terminated

1. Johan Shipping Sdn. Bhd.

As of 31st December 2011, there were a total of 26 Full Members, 85 Associate Members and 3 Supplementary Members.

K. VISITORS

The Secretariat continued to receive local and overseas visitors seeking more information on the palm oil products and Malaysian palm oil suppliers.

In October, PORAM hosted a visit of Indian Government Officials and Solvent Extractors' Association (SEA) Members.

L. SECRETARIAT

The Secretariat is headed by En. Mohammad Jaaffar Ahmad, the Chief Executive Officer. It strived to provide efficient secretarial support to the Board, the Committees, Working Groups and for the daily operations of the Association. The Secretariat is manned by eight personnel as at the end of 2011. This number is sufficient to meet the current operational needs.

M. ACKNOWLEDGEMENT

The Management Board wishes to thank all Members, the Malaysian Palm Oil Industry, Government Ministries and Agencies for their continuous support, contributions and participation in the activities organised by PORAM, throughout the year.

The Board also acknowledges its appreciation and gratitude to the following Board Member, En. Haris Fadzillah Hassan who retired on 22nd March 2011.

The Board would like to thank the Secretariat staff for their hard work and commitment towards PORAM and the Malaysian Palm Oil Industry.

MANAGEMENT BOARD PORAM
