

AG SOURCE (SINGAPORE) PTE LTD

Background

Chinatex Corporation, established in 1951, is a large-scale group corporation under direct administration of the State-Owned Assets Supervision and the Administration Commission of the State Council and one of the 500 largest enterprises of China. Over the years, Chinatex has been adhering to the strategy of scientific development and innovation, and has successfully transformed from a traditional foreign trade company into a renowned large-scale group company with supply-chain management ability and a leading and influential position in related industries and relevant business sectors. Chinatex focuses on two core businesses. Its textiles business covers the trading and manufacturing of cotton, wool, yarns & fabrics, home furnishing textiles and garments. Its grains & oils business includes the trading, processing and warehousing of soybean, corn, wheat, rape seeds, soybean oil, palm oil and etc. The Singapore company, registered as AG Source (Singapore) Pte Ltd, was set up as a South East Asian hub for procurement and international trading of palm products.

Products/ Services
