

ASSAR REFINERY SERVICES SDN BHD

Background

Assar Refinery Services Sdn Bhd (ARSSB) is a subsidiary of Assar Senari Holdings Sdn Bhd, which is a Sarawak State GLC (Government-Link Company). ARSSB is a joint venture between Assar Senari Holdings Sdn Bhd, Cargill International Trading Pte Ltd (Singapore) and SALCRA (Sarawak Land Consolidation and Rehabilitation Authority). ARSSB is built on a 14-acre site to serve the growing needs of palm oil millers and thousands of planters from across southern Sarawak and the nearby Kalimantan hinterland. The plant was built based on the concept of an integrated palm oil refinery complex comprising of refinery, fractionation plants, kernels crushing plant and bulking installations. This complex is located at Jalan Bako, Kuching Sarawak. Assar Senari Holdings Sdn Bhd provides the management and leadership whilst SALCRA supplies the source of feedstock for the refinery and kernel crushing plant and Cargill International Trading Pte Ltd provides the marketing services for ARSSB.
