

Berg + Schmidt (M) Sdn. Bhd.

Berg+Schmidt has been operating in the field of fat chemistry for 50 years. The firm is a member of the Stern-Wywiol Gruppe, a group of companies independent of the big organizations. In Ouderkerk near Rotterdam we have a modern stainless-steel tank farm with an integrated quality laboratory. With a large number of storage tanks, currently with a total capacity of 7,000 cbm, we are well set up for the future. Berg+Schmidt is at home in the oleochemical markets of the world. Our staff know the customers, the applications, and the resources. We have branches of our own in Singapore, Malaysia and India.

Products/ Services

Liquid feed fats (standardized vegetable fats and tailor-made mixtures); Fat powders (rumen-stable fat powder, lecithinized fat powder for monogastric animals); Activated Lipids (medium-chain fatty acids, medium-chain fats, oleosomal metabolism activator, conjugated linoleic acid (CLA); Phospholipids (deoiled lecithin, lecithin oil; lecithin powder, quick energy for young animals, growth promoter); Mikro-encapsulated nutrients (active ingredients such as methionine, lysine, choline chloride and vitamins, encapsulated in fat); Enzymes (heat-resistant and pH-stable enzyme systems, pentosanases, glucanase); Stabilizers (Stabilizers and thickener for calf milk substitutes and pet foods).
