

Bursa Malaysia Derivatives Berhad

Bursa Malaysia Derivatives Berhad (BMD), the sole derivatives exchange in Malaysia, is 75% owned by Bursa Malaysia Berhad. The remaining 25% stake is held by Chicago Mercantile Exchange (CME). BMD provides, operates and maintains a futures and options exchange. BMD's derivatives products are available on the CME Globex® electronic trading platform for better accessibility, visibility and distribution globally. BMD operates the most liquid and successful crude palm oil futures (FCPO) contract in the world. The FCPO has been the global price benchmark for the crude palm oil market since October 1980.

Products/ Services

Bursa Malaysia Derivatives is a subsidiary of Bursa Malaysia Berhad which operates a fully integrated exchange and offers a spread of progressive products and services covering equities, derivatives, offshore listings and services, bonds and Islamic offerings.

Derivatives products and services include Crude Palm Oil futures contract (FOPO), trading, clearing, settlement services and physical delivery of FCPO.
