

FGV Trading Sdn. Bhd.

Background

Felda Vegetable Oil Products Sdn Bhd (FVOP) was established in 1985 and became a private limited company on 1 January 1996. FVOP operates four refineries located in Kuantan (Peninsular Malaysia), Sahabat, Lahad Datu and Tawau (East Malaysia) offering a total refining capacity of more than 2.2 million MT per annum. All our refineries have ISO 9001:2008 certification. This is testimony to our commitment towards customer satisfaction by means of a quality management system.
