

### Background

Global Bio-Diesel Sdn. Bhd (GBD), a wholly owned subsidiary of Genting Plantations Berhad, was established in 2006. GBD's biodiesel plant is located in the Palm Oil Industrial Cluster (POIC), Lahad Datu, Sabah, Malaysia. The plant is strategically adjacent to the port, with all infrastructures in place for efficient processing and operation. The plant has a production capacity of 200,000 MT. The products meet international quality and manufacturing standards for exports to Europe, United States of America and South Korea.

### Products/ Services

Biodiesel (ASTM 6751 and EN 14214 standard), Pharma Grade Glycerine
