

Jawala Corporation Sdn. Bhd.

Jawala Corporation Sdn. Bhd was founded on 13 April 1984. We started as a sawn timber exporter. With the continual growth over the last 27 years, we have developed into a general trading company. We can offer a multitude of goods and services. These include a wide range of wood, palm oil and petroleum products. We are also involved in engineering procurements, counter trade and investment through joint ventures in infrastructure and industrial projects. We enjoy excellent market access to countries in Africa and the Middle East and to some extend the Russian Federation and Cuba. Nonetheless, we are continually searching for partners in various countries for a mutually beneficial business relationship.
