

**Just Commodity Software Solutions Pte. Ltd.**

**JustCommodity** is a leading software solutions provider catering to the commodity trading industry, particularly to the trading of edible oils. Its commodity trading and risk management (“CTRM”) solution, ContraXcentral™, is a premium web-based contract management and execution software suite specially designed to support the needs of commodity trading houses. The proprietary solution provides the framework for commodity trading companies to manage their trades, risk management and hedge accounting purposes to meet the requirements of the International Financial Reporting Standards (IFRS). Not only is it a unique solution that emphasizes business intelligence, the implementation of ContraXcentral™ also improves the efficiency and profitability for its users.

As a young company, JustCommodity was already ranked 2<sup>nd</sup> in Singapore and 106<sup>th</sup> overall in the Deloitte Technology Fast 500 Asia Pacific Ranking and was a winner in both the Red Herring 100 Global and the Red Herring 100 Asia awards in 2010. The Company was also ranked 15<sup>th</sup> in DP Information Group’s Singapore Fastest Growing 50 awards and was a finalist in Silicon Valley’s prestigious TiE50 awards in 2011.

**Products/ Services**

Contract execution and risk management systems for palm oil trading (Futures and Physical) across the value chain from production to delivery; Streamlining of operational processes through business process re-engineering; Customization of software solutions for specific business requirements.
