

SARAFIAH NATURAL RESOURCES SDN BHD

Sarafiah Natural Resources Sdn Bhd is one of the leading suppliers of containerized palm based edible oil from the world's second largest palm oil producing country, Malaysia. We are located within the West Port Industrial Estate in Port Klang which is the leading port in Malaysia with excellent infrastructure and up to date facilities in handling both liquid bulk and containerized cargo. Our strategic location and proximity to the port are an added advantage in terms of quick assessibility and cost saving in transportation leading to better customer service.

Our filling plants have a combined capacity in excess of 5000 MT per month catering to a wide range of consumer and industrial packaging sizes which are shipped to more than 20 countries worldwide.

We, in Sarafiah Natural Resources Sdn Bhd are continuously striving for innovative ideas to enhance our corporate image in upgrading our facilities from time to time to maintain our high quality standard and satisfaction of our discerning customers while making our products affordable.

Products/ Services

- Packaging centre with experience in packing palm olein in any type of packing method.
