

## UNITATA BERHAD

### Background

Unitata Berhad is a wholly owned subsidiary of United Plantations Berhad (UP), a listed company on Bursa Malaysia Securities Berhad and Nasdaq OMX Copenhagen A/S and whose core business is palm oil production and processing of its products. As part of the UP Group, Unitata is an integrated refinery complex. Unitata Berhad is a world leading quality supplier of sustainably produced vegetable fats and soap products for the international market. Incorporated in 1971 and commencing production in 1974, Unitata is a pioneer in the Malaysian palm oil refining community. Initially as a bulk producer of vegetable fats and soap products, we have evolved into a premium producer of specialty fats in collaboration with our business partner, Aarhuskarlshamn (AAK), the world's leading supplier of speciality oils and fats.
