

EXPORT-IMPORT BANK OF MALAYSIA BERHAD

Export-Import Bank of Malaysia Berhad (EXIM Bank) is a development financial institution (DFI). The Bank was incorporated on 29 August 1995 and is wholly-owned by the Government of Malaysia through Minister of Finance (Incorporated).

EXIM Bank's role is to provide both conventional and Islamic credit and banking facilities, export credit insurance/takaful services and trade financing and services to support Malaysian companies in their cross border activities in both traditional and non-traditional markets. Our banking and insurance facilities and services would include overseas project financing, overseas contract financing, manufacturing for the purpose of export, services overseas and other cross border activities.

The Bank has assisted a diverse range of Malaysian business in an equally diverse range of sectors in their global ventures. EXIM Bank is taking pride in meeting its mandated role of stimulating and enhancing the competitiveness of Malaysian industries for exports and investments globally via the provisioning of internationally and domestically competitive banking, trade and insurance products and advisory services.
