

INNOVANS PALM INDUSTRIES SDN. BHD.

Background

Innovans Palm Industries Sdn. Bhd (Hereinafter referred as 'Innovans') was incorporated on 24th April, 1996 under the Malaysia Companies Acts 1965. Since the incorporation the Company has been actively involved in Trading, Import & Export, Packing, Storage Tank, Tanker Transport Services and Process of Palm and Lauric products.

Having years of experience in the industry, Innovans acquired oil palm plantation to supply Fresh Fruit Bunches (FFB). The company then expanded its facility to have a built up office and factory that comes with more than 10,000 MT storage tank capacity in Telok Gong, a strategic place in Port Klang. The Company also holds another 15 acres of land for future factory expansion.

With the strong facility as back up, Innovans advanced into edible oil packaging for both local and export market due to rising demand from our valued customers. Each plant in Belakong and Tanjong Sepat, Selangor are manage to supply edible oil to local market whereas export market are being managed by plant in Port Klang.

Products/ Services
