

## Momin Oil Industry Sdn. Bhd.

**MOMIN**, a leading group in Afghanistan, was established in 1910 as trading company with dry fruits, tea, spices and textiles. Later in 1994, the group established Momin Oil Industry an ultra-modern state of art refinery for edible oils, hydrogenated products, palm kernel oil, vegetable ghee, sunflower, canola oil, palm oil, olive oil and shortening in various packing as client's requirement.

MOMIN GROUP has been in the business of refining, packing and trading of palm oil products, sugars, electronics products and lubricant oil. Over the years, MOMIN GROUP has expanded its operations and plants to Afghanistan, Dubai and Malaysia.

MOMIN OIL in Malaysia is exporting its products around the world to Middle East, South East Asia, Africa, Tajikistan, EU Countries, United States, Russia, Oman and Saudi Arabia.

**MOMIN OIL INDUSTRY** believes in constant research to meet the ever growing demands of international markets.
