

## KL Maritime (M) Sdn. Bhd.

**KL Maritime (M) Sdn. Bhd.** is a shipbroking and fuel oil trading company with offices in Malaysia and Vietnam. Since 1998, we have been providing a full range of freight brokerage for the palm oils as well as other liquid bulk cargoes such as soft oils and petroleum products in both the domestic and international markets. Our experience has allowed us to expand our horizons and progress beyond the conventional ship brokerage profession. Our knowledge has given us foresight, an added edge allowing us to identify and capitalize on market opportunities wherever and whenever they emerge for the benefits of our customers. As recognized by the Palm Oil industry, our knowledge and understanding in palm oils is probably unsurpassed and we have embarked the same for other liquid cargoes such as chemicals and clean petroleum products. In line with our strategic growth and capitalizing on our core competencies, we have established a new business initiative in trading, storage and sales of bulk commodities such as fuel oil and related products. This will allow us to reach out to bigger client base and tap into business potential of the energy sector in East Asia where energy demand is growing at exponential rates. Do not hesitate to contact us if you have any requirements/enquiries, we will always ready to accommodate suggestions and reasonable negotiation to provide the best services for your company.
