

## PALMAJU EDIBLE OIL SDN. BHD

### Background

Palmaju Edible Oil Sdn. Bhd. is a subsidiary of Fuji Oil Asia Pte. Ltd. Singapore. Palmaju Edible Oil produces high quality palm oil and palm kernel oil using primary fractionation and refining, and supplies those products as intermediate raw materials to other companies in the Fuji Oil Group. In 2007, the company expanded its small-lot refining equipment with the latest technologies to better respond to diverse market needs. Our goals and mission is to manufacture palm oil products with green production concept, via physical refining, dry fractionation and hydrogenation, Interestification and neutralization processes with raw material supplied locally.

### Products/ Services

Refined, Bleached & Deodorised (RBD), Fractionated, Interestification, Neutralization Palm Oil & Palm Kernel Oil products.
