Sime Darby Oils

Background

Realising Possibilities, Together

Sime Darby Oils (SDO) is the downstream business of Sime Darby Plantation Berhad, the world's largest producer of certified sustainable palm oil. SDO offers a wide range of edible and non-edible oils and fats products, supplying high quality products to some of the world's leading brands.

SDO has a presence in 14 countries and serves customers across the world in more than 100 countries. It has 11 refineries with a total annual capacity of 3.7 million metric tonnes (mt) and a total bulking installation capacity of 276,400 mt. SDO also has four kernel crushing plants (KCP), one biodiesel plant and a soya crushing plant, as well as two copra mills in Papua New Guinea.

Supported by 190 technocrats and scientists, SDO is committed to delivering bespoke and superior solutions for customers, leveraging on its extensive networks and global footprint to forge purposeful partnerships – Realising Possibilities, Together.
