

## SOUTHERN EDIBLE OIL INDUSTRIES (M) SDN BHD

### Background

Southern Edible Oil Industries (M) Sdn Bhd is an established manufacturer of a wide range of palm based products to meet the varied requirements of customers worldwide. It was established in 1972 and was among the pioneers to process crude palm oil into refined palm oil and its fractions. With constant research and development, Southern Edible Oil has developed many new products in the area of specialty fats such as cocoa butter substitutes, coating fats, shortening and margarine. Besides, it also produces animal feed supplement in flakes. Drawing upon the versatility of palm oil and to meet the increasing demand for vegetable oil based personal products, Southern Edible Oil Industries (M) Sdn Bhd further ventured into the manufacturing of pure vegetable oil based soap noodles and toilet soap bar as well as refined glycerine (USP 99.5%) and palm kernel diethanolamide. The Company was awarded with the Hazard Analysis Critical Control Point (HACCP) for all its food products for human consumption in 2002. In 2004, the Company was certified with Good Manufacturing Practice (GMP) for its animal feed supplements. GMP for toilet soap bar was awarded in the year 2009.
