

IKHASAS CPO SDN. BHD.

Background

iKhasas CPO Sdn Bhd is a Malaysian-based company that specializes in the production and distribution of high-quality Palm products. Established in 2017, iKhasas CPO has become a well-known name in the palm oil industry, with a reputation for providing excellent products and services to clients both locally and internationally.

At iKhasas CPO, our mission is to produce, distribute and promote the highest quality palm products that meet the needs and expectations of our customers. We achieve this by using the latest technology and industry practices to ensure that our products are of the highest quality possible. Our team of experienced professionals are always dedicated to providing exceptional service to our clients, ensuring that their needs are always met in a timely and efficient manner.

Our range of products includes crude palm oil, refined bleached deodorized (RBD) palm oil, RBD Palm Olein, RBD Palm Stearin and etc. These products are used in a wide range of industries, including food and beverage, pharmaceuticals, and personal care. We also offer customized solutions to meet the specific needs of our clients, ensuring that they receive the best possible product for their business.
