

**POIC Sabah Sdn Bhd** was incorporated in year 2005 and wholly owned by the state Government of Sabah under the purview of Ministry of Industrial Development to spearhead the State's industrialization agenda.

**POIC Bulk Terminal Sdn Bhd** is a company wholly-owned by POIC Sabah Sdn Bhd. Established to manage and operate palm oils bulking installation located at Lahad Datu, Sabah (POIC Lahad Datu). The bulking installation is a part of the continuous effort of POIC Lahad Datu to cater the needs of the oil palm downstream industry and related activities. It is also strategically located adjacent to the POIC Liquid Bulk Terminal with pipelines connection to the 7 berths with a distance between 0.7 km – 1.2 km (12 – 20m natural water draft) which could accommodate vessels up to 100,000 DWT.

With its proximity to the liquid jetty, and comprehensive pipe rack network connecting to refineries, this installation is another facility that will attract more investment to POIC Lahad Datu.

#### Products / Services

Storage and handling of palm oils products
